

Week 4 Anchor Project

Writing Emails

Section 1: Email of Request

Subject: Lecture notes request – [MATHS]

Dear Professor Sreenidhi;

I hope you're having a good week.

Unfortunately, I wasn't able to attend our lecture on [Day of the week, e.g., Tuesday] because I came down with an illness. I am feeling much better now and am working on catching up on the material I missed.

I checked the online portal for any updates, but I wanted to reach out and ask if it might be possible to get a copy of the lecture notes or slides from that day. I also wanted to make sure I didn't miss any important announcements regarding upcoming assignments or schedule changes.

I'll be sure to review everything thoroughly before our next class. Thanks so much for your time and help!

Best regards,
N. Thanmayi

Section 2: Email of Update

Subject: Status Update: Group Project Progress

Hi Varun,

I wanted to give you a quick update on my progress for our group project, as requested.

Progress Made So Far:

- Completed the initial research and gathered all necessary data sources.
- Drafted the outline for my assigned section of the report.
- Put together the rough layouts for the presentation slides.

Challenges Faced:

I ran into a minor roadblock trying to format the data comparison charts, as the software was acting up yesterday. However, I managed to troubleshoot it this morning, so everything is back on track now without putting us behind schedule.

Next Steps & Expected Completion:

I am currently working on polishing the final draft and integrating the charts. I expect to have everything completely finished and ready to send over to the team by [Expected Date, e.g., Thursday evening].

Let me know if you need to see the rough drafts before then, or if there is anything else you'd like me to focus on!

Best,

N. Thanmayi;

Research and design;

Section 3. Email of Scheduling

Subject: Meeting Reschedule Request

Hi Sahithi mam,

I hope you're doing well.

I'm looking forward to our upcoming meeting next week. However, I just realized that a sudden, unavoidable commitment has come up that conflicts directly with our scheduled time on [Original Date/Time].

Because I really want to make sure we have dedicated time to chat, I was hoping we might be able to reschedule. Are you by any chance free at any of the following times instead?

- [Option 1: e.g., Tuesday, Oct 13th at 2:00 PM]
- [Option 2: e.g., Wednesday, Oct 14th at 10:00 AM]
- [Option 3: e.g., Thursday, Oct 15th at 4:00 PM]

If none of those work for you, please let me know what your availability looks like next week, and I will do my absolute best to make it work on my end.

I'm really sorry for the inconvenience, and thank you so much for understanding!

Best regards,

N. Thanmayi,
